Volunteers are engaged community members who come together to help build safe, decent, affordable homes. Habitat homeowners work alongside volunteers to build their home. Together volunteers help families achieve the strength, stability and independence they need to build a better life for themselves and their families. Share your time and skills.

Volunteer today. Great for team building!

building strength, stability and self-reliance through shelter

A Habitat home is a stabilizing force for a family. Better, affordable living conditions lead to better health, improved childhood development and the ability and financial flexibility to make forward-looking choices.

Habitat for Humanity of Greater Lowell (HFHGL) is a 501(c)3 non-profit serving 15 towns in No. Middlesex county. Founded in 1991, HFHGL has impacted a total of 172 families. Through grass root efforts we raise all the funds needed to build affordable, energy efficient homes. Habitat families get a hand up, not a hand out!

“I worried about my children’s wellbeing and I have always tried to stay strong and positive for them. Being chosen by Habitat to live in a safe place we can call our ‘Home, Sweet Home’ means the world to me. I will never give up trying to make things better for my family”.

Clara, partner family, 2018
Habitat builds and rehabs homes to be affordable and energy efficient. These new homes are 3 & 4 bedrooms and are either stand alone or semi-detached. Habitat Lowell meets the needs of the families who will be living in these homes and as a result, several are fully handicap accessible. Habitat provides the help needed for families to stand on their own.

I look forward to playing with my kids in the yard, celebrating holidays at home and meeting my new neighbors!

The Critical Home Repair Program provides needed interior and exterior repairs for low-income seniors, veterans and those disabled, so that they may maintain a safe, decent, and affordable place to live.

The program focuses on safety, security, accessibility, weatherization, and code violations. With the help of volunteer labor, Habitat will assist families to age in place.

The ReStore is a retail store open to the public specializing in the resale of quality new and used goods that are donated by companies, organizations and the general public. Proceeds go to build low income housing while diverting waste from landfills. Drop off items or call for a free pickup. We deliver too!
